

## **Desrochers' Video Productions' Packages and Products:**

Every Desrochers' wedding video package is **videotaped and fully artistically edited by international award-winning videographer and company owner, William Desrochers;** (A+ rated Maryland BBB Accredited winner of 15 highly prestigious international wedding video awards). **In addition;** every custom wedding video package includes my unique in the wedding video industry signed Copyright Protection Release Letter described below plus no re-orders expiration date. **(All video packages and products are available in standard definition DVD or HD Blu-ray disc formats).**

**Wedding Video Package Choice # 1** - This is a good choice for couples who desire a William Desrochers' **fully artistically edited** professional wedding video package but only need or desire four hours or less of single videographer coverage.

**Includes;** One videographer, (William Desrochers) and up to four full hours on location wedding day videotaping coverage, one fully artistically edited and beautifully packaged wedding video copy and a signed **Copyright Protection Release Letter**.

**Premium Wedding Video Package Choice #2** – **Includes two videographers, unlimited wedding day event coverage hours** plus all of the Premier Video Package items, (Video Package Choice #4 described below) minus the video photo montage package & wedding ceremony rehearsal professional photography coverage.

**Premium Wedding Video Package Choice #3** – **Same as package #2** plus my always very popular video photo montage package. (See detailed website description)

**Premier (all-inclusive) Wedding Video Package Choice #4:** *(Also see my website, [www.marylandvideographer.com](http://www.marylandvideographer.com) for a detailed description of this unique in the wedding video industry all-inclusive premium wedding video package).*

- Wedding ceremony rehearsal attendance and **complementary professional photojournalistic style photography coverage by William Desrochers** – All photos are delivered the very next day on a non-copyright protected full-resolution photo CD. (I am also an accomplished photographer having also taught photography classes in the public school system during my former art teaching career). My photo camera is the popular professional Canon 5D Mark III.
- Premium/**always very popular** bride and groom growing up and dating video photo montage package, (two day presentation including equipment).
- Full **(unlimited coverage hours)** wedding day videotaping event coverage including pre-ceremony events, ceremony and the entire wedding reception.
- **Pre-view**, (fully artistically edited) full wedding day coverage DVD delivered prior to completion of your final package consisting of five DVD sets that includes any EDL (edit decision list) changes or corrections requested by the client(s).

- **Honeymoon ending video photo montage** using a selection of your provided favorite honeymoon photos set to music of your choice.
- **Includes five fully artistically edited DVD or Blu-ray disc sets** packaged in beautiful individually custom designed photo labeled cases. The client(s) also have the option to provide favorite professional wedding day photos for the cover label. (Standard definition DVD sets always include 2 DL DVD discs).
- **Copyright protection release letter** personally signed by William Desrochers. This official legal document, **(included with all completed wedding video packages)**, gives the client(s) unrestricted “cost saving” legal permission to make as many additional personal home and/or retail store copies of their delivered wedding video without the need to purchase them directly from the video company. ***It is very rare and highly unlikely that any other Maryland professional videography or photography company offers this very special bonus package enhancement at any price!***
- **All of your original raw unedited HDV camcorder videotapes.** (Includes 100% of the high definition wedding day videotaped footage), I only use brand new professional HDV videotapes for every wedding I videotape and include them with all video packages except Choice #1. Most other video companies discard most of what they videotaped on your wedding day in the editing suite.
- **Of note:** most clients, who meet with me, recognize the exceptional investment value of my comprehensive unique in the professional wedding videography industry premier **all-inclusive** wedding video package described above.

**Other Video Package Options** – In addition to the above video package choices, feel free to contact me to discuss designing a personalized custom designed wedding video package that includes specific desired package items plus a price and payment plan that works best for you.

**Individual items** – Additional boxed copies of any special event video production package can be purchased before or after video package completion and delivery with no re-order deadline date. Because I keep a digital master copy of every video I produce, there is no re-order expiration date. **The following photography and videography products are included with some video packages but can also be purchased separately without a full production wedding video package contract agreement:**

- **Wedding rehearsal photography or Videography Coverage** - Includes candid wedding rehearsal photography or HD video coverage at your church, synagogue, or any other Maryland venue ceremony location. A photo CD containing all of your photos or a DVD can be picked up or mailed to any address that you specify. Completion date is normally a week or less.
